Dear friends!

You can find everything you need to write, draw and highlight in the extensive range of products from the Centropen traditional household brand. We guarantee a modern ergonomic design, excellent function, Czech craft quality and more than 70 years of experience in the development and manufacture of writing and drawing equipment.

Progress cannot be stopped and the demands placed on products are increasing. Which is why the Centropen company pays more and more attention to new products, their perfection and adaptation to your requirements. All you need to do is turn a few pages and you can see for yourselves!

No Centropen product would succeed if our developers and designers failed to keep in mind how important a healthy writing style is for everyone. The popularity of Centropen products at home and abroad is evidence of our success in achieving our goal.

Centropen will be the right partner for all your business opportunities.

BE PROFESSIONAL!

What do the professionals work with? With what they have at their fingertips, and with what they can rely on. The comprehensive product range of writing and drawing supplies from Centropen for every office can be afforded by anyone who can appreciate its qualities. This mainly includes excellent writing properties, modern design with a triangular cross-section hand grip (the hand gets less tired when writing for long periods), very long writing distance, as well as a wide range of tips and ink types. And also a more than affordable price.

More and more people use Centropen products at work. Be one of them.

GIVE THE BEST TO YOUR CHILDREN!

How well do your children write and draw? They will do even better with popular high-quality writing and drawing supplies from Centropen for more than affordable prices! Psychologists of writing, for instance, recommend that school and pre-school children use the Centropen products with a triangular cross-section hand grip. It helps them acquire the best writing and drawing habits. Children of every age will hugely appreciate a wide range of bright colours, as well as the easy to use comfort, and durability of Centropen products.

Centropen supports the ideas and creativity of your children both at home and at school. Selecting the appropriate Centropen writing supplies is up to you...
